# **TOUR – MILLER ELECTRIC MANUFACTURING CO.**

**1635 West Spencer Street  
Appleton, WI 54914**

Miller Electric Manufacturing Company is a world class manufacturer of welding equipment and welding supplies. The success of their safety program is contributed to employee involvement. Tim Kinney, Safety Director will give an overview of how they engage their employees in safety, including Job Safety Analysis, Cumulative Strength Moves, Personal Protective Equipment posters and Employee Involvement Projects. The facility tour will include a review of the various safety devices used throughout the manufacturing area.

Tim Kinney has been the Safety Manager at Miller Electric for seven years. He has an Industrial Safety degree from Whitewater University and has over 17 years of experience in the safety field.
